EXPLANATORY NOTES

MODIFICATION OF INVESTMENT OBJECTIVE AND INVESTMENT POLICY AND STRATEGY OF PUBLIC ISLAMIC SELECT ENTERPRISES FUND: RATIONALE

Rationale for Resolutions 1 and 2 – Change of Fund's Investment Objective and Investment Policy and Strategy

It is proposed to amend the investment objective, policy and strategy of the Fund to enable the Fund to invest up to 25% of its net asset value in foreign markets. The proposed change would provide the Fund with a greater diversification of stocks and markets.

To ensure that the Fund is not subjected to frequent portfolio rebalancing due to exclusion and re-inclusion of stocks into the list of largest 50 Shariah-compliant stocks in terms of market capitalisation, the requirement that the Fund is required to dispose a particular stock if the stock is excluded from the list of largest 50 stocks by market capitalisation within 3 months is removed.
