# BREAK THE CYC LE AND LIVE A DEBT-FREE LIFE

"You might get 85 years on this planet - don't spend 65 paying off a lifestyle you can't afford." - Cait Flanders -

Debt is a double-edged sword. If debts are managed well, they will improve our lives and help us accomplish our goals, for instance obtaining an education, purchasing a home or expanding our businesses. If they aren't, they will invite problems into our lives.

So, how do you know if your debt is kept at a healthy level? Let's take a look at the debt-to-income ratio (DTI):

DTI =	Monthly Debt Payments	x 100
	Gross Monthly Income	
EXAMPLE		
Gross income:		RM6,000
Monthly debt payments:		
<ul> <li>Home mortgage</li> </ul>		RM1,500
• Car Ioan		RM600
<b>DTI:</b> (RM2,100/RM6,000) x 100 =		35%

#### **GENERAL RULE OF THUMB**

The ideal DTI is 36% or less. Anything beyond that implies a need to either cut down the debts or increase the income.

<sup>1</sup> Section 5, Act 360 Insolvency Act 1967

<sup>2</sup> Malaysian Department of Insolvency, Bankruptcy Statistics 2022 (data from 2018 to September 2022)

# Dealing with debt is not as difficult as you think. Just follow these steps!

## ANALYSE YOUR DEBT

Identify debts that do not create or add value to your net worth.

## EXAMPLE

- Debt with high interest rate such as credit card debt
- Debt arising from the purchase of items that depreciate in value over time such as a car loan

## RANK YOUR DEBT

### EXAMPLE

- Although the car loan balance is lower, rank the credit card debt first as the interest rate is higher.
  - i. **Credit card debt:** RM30,000 with 18% p.a. finance charge
  - ii. Car Ioan: RM10,000 with 3% interest rate

## **3** PAY OFF THE HIGH INTEREST DEBT FIRST

 If you could not make payment for all your loans, delay making payment for loans with the lowest interest rate.

## Here are some tips for managing your money effectively to avoid debt:

#### START PLANNING

- Make a budget and stick to it
- Set realistic financial goals

#### **STAY DISCIPLINED**

- Continue repaying the debt
- Track your spending
- Pay off your credit card bill on time every month
- Be a smart buyer and avoid impulsive purchases

#### **START SAVING / INVESTING**

- Save to purchase something you really need
- Invest every month to achieve your financial goals
