

HEARTIEST CONGRATULATIONS TO WINNERS OF AAN 2025

Top Unit Trust Consultant | Group Agency Manager

NURUL SABRINA BINTI IZHAM

Nurul Sabrina binti Izham is the Top UTC – Group Agency Manager for the fourth consecutive year, having achieved qualified group sales of RM 177,894,517 in 2024. More than a personal achievement, Sabrina also views this success as the culmination of her team's relentless spirit, shared vision, and collective efforts. Sabrina is also deeply grateful for her husband's support, and the learning curve of ups and downs that has shaped her leadership to where it is today.

"Being crowned champion once again is humbling, empowering, and a sign for me to keep going, growing, and elevating others. If you want to go far, build others up along the way – because in this business, we rise by lifting others. Success isn't built overnight; it is the result of consistent action that is driven by clarity, belief, and heart. Always remember that beyond selling unit trusts, you're offering your investors hope, freedom, and a better future. So stay rooted in your purpose, keep upgrading your mindset, and never underestimate the power of one leader to create a tremendous impact."
