CHAMPION PROFILE

For the fifth consecutive year, **Nurul Sabrina binti Izham** has been crowned as the Top UTC – Group Agency Manager, having achieved qualified group sales of RM160,651,586 in 2025. Honoured and humbled by this recognition, she reflects on the price paid behind the scenes – her discipline, the sacrifices made, and the moments she chose to stay strong when it would have been easier to give up.

“As a leader, I do not carry this title with pride alone; I carry it with responsibility, as I strive to develop more successful UTCs under my guidance. I do not rely on how I feel each day; instead, I show up, execute and improve consistently. That consistency, repeated over time, is what has enabled my success today.

If you want to reach this level, then you must be willing to grow beyond your current self. This journey demands discipline, patience and humility to learn. Rather than chasing quick results, build a strong foundation. And instead of comparing yourself to others, stay focused and stay committed – you will begin to see your life change in ways you never imagined.”
