Private Retirement Scheme – Conventional Series

Contribute Towards A Self-Reliant Retirement

Please refer to Public Mutual website or contact your servicing PRS Consultant for more information.

**Don't simply retire from something;
have something to retire to.**

- Harry Emerson Fosdick

What is the Private Retirement Scheme (PRS)?

- A voluntary contribution scheme
- A vehicle to accumulate savings for retirement
- Complements contributions made to the Employees Provident Fund (EPF)

Why Contribute to the PRS?

Additional Income Stream during Retirement

- Acts as an additional form of retirement savings to provide a source of income during retirement besides the EPF

Flexible and Affordable

- Flexible contribution amount according to your affordability
- Only RM100 to invest and top up

Money and Accrued Benefits in the PRS are Protected from Creditors

- Money and accrued benefits in the PRS are protected from creditors as stated in Section 139ZA of the Capital Markets and Services Act 2007 (CMSA)

Tax Incentive

- Allows you to enjoy personal tax relief¹ of up to RM3,000

¹ Including tax relief for deferred annuity. Tax relief is valid until year 2030.

How does It Work?

When you make a contribution, you may choose between the:

- **Default Option**

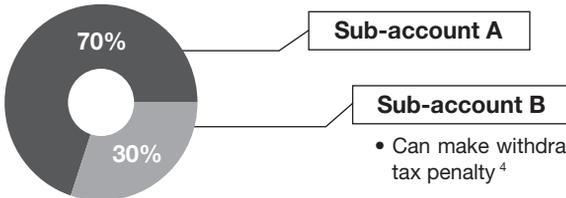

Contributions will be automatically allocated to the core fund that corresponds with the pre-determined age group²

OR

- **Non-default Option**

You may select one or more funds from the core or non-core funds regardless of your age

Your contributions will be maintained in two separate sub-accounts:

- Can make withdrawal once a year, subject to an 8% tax penalty⁴

Full withdrawal (from both sub-account A and B) can be made upon:

- Reaching retirement age³
- Death
- Permanent departure from Malaysia
- Permanent Total Disablement (PTD) / Serious Disease (SD) / Mental Disability (MD)

You can make pre-retirement withdrawal for the following purposes (without 8% tax penalty)⁴

- Housing purposes (From sub-account B)
- Healthcare purposes (From sub-account B)

² The age group may be subject to change from time to time as determined by the relevant authorities.

³ You are eligible to make a full withdrawal upon reaching the age of 55. Securities Commission Malaysia may specify any other age threshold from time to time.

⁴ Subject to terms and conditions.
